

It's official!

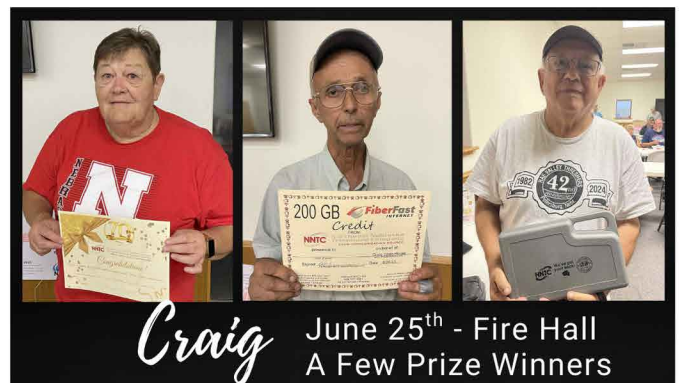

**It's Our Anniversary Month!**

Thanks for Celebrating with Us!

On September 28, 1955, history was made when Howard Rasmussen of Hubbard, NE received a telegram with exciting news: a \$390,000 loan from the Rural Electrification Administration (REA) had been approved to launch a brand-new telephone company. With that funding, 750 subscribers in Dakota, Dixon and Wayne counties would soon connect to a cooperative that would grow into what we now know as Northeast Nebraska Telephone Company (NNTC).

Fast forward 70 years and NNTC is still connecting communities! Thank you to the 600 customers who joined us for one or more of our 70th Anniversary open houses this year. We've hosted twelve celebrations in all. Here's a look at every stop we made.
