

Bring a "Fiber Friend" to an NNTC Open House in 2026!

At NNTC, being a cooperative means **our customers are also our members**, and that comes with real benefits. In fact, over the past few years, NNTC has returned **millions of dollars** back to the small rural Nebraska communities where you live! That's something the "internet from the sky" simply can't do.

Help us keep Nebraska dollars right here where we live, work and thrive! We invite you to share the cooperative advantage with a friend or neighbor at one of our NNTC Open Houses across our service territory.

Introducing the *Fiber Friends Bonus*

Bring a non-customer friend to an open house, you'll both get a bonus prize! AND if your friend signs up for NNTC service within 30 days, you'll **both** receive a **\$100 bill credit!**

No limits! Bring as many friends as you like. Each one who signs up earns you both \$100. It's our way of saying thank you for helping introduce more people to the benefits of locally owned fiber service.

Coffee Hours & Happy Hours

Some open houses will be morning coffee hours with rolls, while others will be evening happy hours with light appetizers. It's a relaxing way to stop by, ask questions, and play games with us for prizes!
